I, Kristine E. Duell

Inv. Pietroski of The Oswego Co Sheriff's Office

I am 45 years of age born on the 17th day of April 1969

I live at 145 Kibby Rd Mexico NY 13114 KH(315) 963-4956

I was the owner of the convenience store in NewHaven, NY. One of the shifts I was working I went out to sweep the parking lot and found a card/paper that had names on it. The one that stuck out in my mind was Heidi Allen with an alias name next to it. The name reminded me of the movie Pretty woman/Julia Roberts. Thinking this was sensitive information I went in to the store and shared this info with my mother Roberta Wills we told no one else and I called the Sheriff's station to report it knowing that Deputy VanPatten had been in the store shortly before I found the paper. Someone came back from the Sheriff's station and I gave him the paper. We (my mother and I) told no one else at any time. In a span of 1/2 hr he left (VanPatten) I found the paper, called the Sheriff's office and someone picked it up. I do not remember when this took place, before or after Heidi's disappearance.

I have read the above statement, consisting of 1 page, and it was read to me by myself. I understand the statement and swear it is true.

In 1991 patrol was assigned to the Anti-Crime team and was being used in a part time undercover capacity. While assigned to this duty patrol was advised by Sgt. Lortie that he had developed information from Judge Sturtz that his neice, Heidi Allen had some information in reference to drug activity in the Scriba area involving some Mexico high school students. Patrol was advised that Sgt. Lortie and Dep. VanPatten had met with Heidi at her residence and she would be coming to the Sheriffs office to meet me and further discuss the drug activity. Allen was driven to the office by her boyfriend and he also sat in on the meeting. Allen d#scribed to us that there were several parties that were held involving the use of drugs and that a friend of hers was becoming mixed up in it and she would like to help her. Allen stated that she did not use drugs nor could she buy any drugs first hand, she only had visual knowledge of the activity. After the meeting was over patrol expressed no interest in using Allen as an informant as she had no true information that could be useful to us. Allen was never formally signed up as a confidential informant and the case was never worked but left inactive.

SUBJ: Heidi Allen Investigation

This report is filed pursuant to a request by Lt Goodsell.

Back in late 1991 or early 1992 while on routine patrol this writer stopped at the D & W Convenience store and was asked about an index card and photo that had been found in the parking lot at the store. Patrol was given the items one was a polaroid photo of Heidi Allen the other was a 3" by 5" index card with Heidi's name, address and phone number on it and a codeword that I can't remember. It also had Deputy Vanpattens name on it. Upon contact with Deputy Vanpatten he stated to leave it in his mailbox. Upon return to OCSO I left the photo and card in Deputy Vanpattens mailbox and this was the last I saw of them.

In 1991 this reporter was assigned to the Anti-Crime Team under the supervision of Sgt. Lortie. During this time frame, this reporter was approached by Judge Sturtz regarding his niece Heidi Allen possibly having information regarding illegal drug trafficking in Oswego County. This reporter along with Sgt Lortie, proceeded to the Allen residence at a later date and spoke to Heidi and her parents regarding information that she had knowledge to. Heidi advised both officers that she had been to several parties in the Scriba area where drugs were present. Heidi also made reference to the students in the Mexico School that were involved in drug activity. No specific reference was made to anyone person in particular. This reporter took a picture of Heidi and completed a 3x5 index card containing her information about her address and other personal information. At an unknown time this reporter used that phone at the D&W store located at the intersection of STR 104 and 104B. During this time frame, unknown to this reporter I dropped the 3x5 index card and the photo of Heidi. While off duty, this reporter received a phone call from Deputy Montgomery advising this reporter that the paper work regarding Heidi was turned over to him by an employee at the D&W store. Patrol advised Montgomery to place the paperwork in my mailbox. This reporter never used any information on Heidi as a confidential informant in any criminal cases.

In 1994 when Heidi came up missing, this reporter received a phone call at my residence from SGT Lortie. Lortie advised this reporter that Heidi was a confidential informant for me in 1991. This reporter advised Lortie that I had no recall about the case involving Heidi. This reporter was then advised that Heidi was the relative of Judge Sturtz, and inquired where the case packet was located as it was not in the drug locked file. Patrol advised Lortie that the paperwork was located in this reporters mailbox located at the Sheriff's Office. The paperwork was recovered by an unknown person from the mailbox. While this reporter was working at the Heidi Center, this reporter saw the paperwork which was retrieved from this reporters mailbox.
